

STEPHEN GAYNOR SCHOOL

2024-2025 ANNUAL FUND FAQ's

What are the Annual Fund goals this year?

Our goal is to reach 100% participation and raise \$1,000,000.

Why is participation so important?

Strong participation sends a message of our community's commitment to prospective parents. It is also an essential element of our applications for funding from foundations and corporations. Parents choose the level of giving that is comfortable for their family. Every gift is meaningful.

How is my gift counted?

We count participation for each cluster and school-wide. Gifts from families with more than one child in the school will count toward both clusters' participation goals.

What is the fiscal year?

The fiscal year runs from July 1 to June 30.

What is the average gift?

The average gift to the Annual Fund is \$2,500. Gifts range from \$5 to \$50,000. Gifts of any size count toward cluster and school-wide participation goals.

How much did I give last year?

Please contact Emma Grettenberger* in the Advancement Office with questions regarding your personal giving history.

Is there a Gala this year?

There is not a Gala this year. Gaynor hosts a Gala every other year, and we look forward to hosting our community again in the 2025-2026 school year!

We receive reimbursement but it is delayed, and we feel financially strained. How can we still support the school?

A gift of any size counts. Added together, gifts of all sizes make a collective impact. We encourage all families to make the Annual Fund their family's philanthropic priority and to participate before June 30.

Can I give a matching gift or gift of stock?
